To Whom It May Concern:

Re: Current Solutions Inc.
Jamie Shand

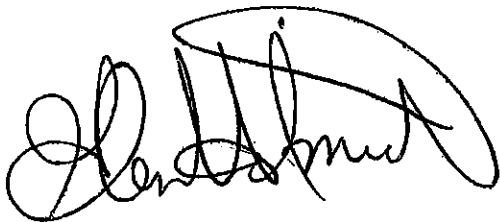

This letter of reference describes the satisfaction I had with Current Solutions and Jamie Shand for the work they performed for Deer Creek Energy Ltd.

Current Solutions completed a number of assignments for Deer Creek including:

- Cogeneration review and strategy
- Power supply agreement, contract negotiation and advisory services.

I was very satisfied with the timeliness, completeness and cost effectiveness for the services provided by Current Solutions.

Yours truly,
